

REPUBLIC COMPANIES RETURN POLICY MECHANICAL DIVISION

New stock product or parts returned in original packaging and in resalable condition will be inspected upon return and a credit will be issued on the next business day. To ensure proper credit amount, return product with the original invoice number or PO number. If original purchase invoice number or customer purchase order number are not provided, the credit amount will be based upon recent purchases and are not guaranteed to be the original purchase dollar value.

Non-stock products and parts must be returned in original packaging and in resalable condition. Credits for non-stock items may be held until credit is received from vendor, and will be subject to restock charges.

Special order items cannot be returned for credit.
