UNIT FEATURES

ASHRAE 90.1 and EPACT Compliant

Environmentally Aware - ECO Friendly R-410A Refrigerant.

Service Friendly - York Rooftop Units incorporates a number of enhancements which improve serviceability.

Convertible - All units ship with a field convertible airflow system that allows both downflow and horizontal applications.

Wide range of factory installed options.

Simplicity[®] Control Board Microprocessor Control

Reliable - All units undergo computer automated testing before they leave the factory.

Flexible Placement - All models and configurations share the same footprint and thus the same roof curb.

Full Perimeter Base Rails - The permanently attached base rails provide a solid foundation for the entire unit and protect the unit during shipment.

Wide Range of Indoor Airflows - All indoor fan motors are belt-drive type providing maximum flexibility to handle most airflow requirements.

MagnaDry[™] - Hot Gas Reheat technology

WARRANTY

- 1-year limited warranty on the complete unit.
- 5-year warranty - Compressors and electric heater elements
- 10-year warranty - Aluminized and stainless steel tubular heat exchangers
