DISASTER RELIEF FOR ILLINOIS

At Luxaire, we've seen the devastating impact of the August 12th derecho in Illinois, and we want to help. As a company proud of our American Quality products, we want to lend a hand to Illinoisians in your time of need by offering savings on new HVAC equipment if your home was in an area impacted by the storm.

Within 60 days from installation, the end user must complete the disaster relief rebate incentive form on www.ductedsystemsincincentives.com.

The following must be uploaded with claim:

- Invoices with a clear installation date
- Description & Date of the event.

Once approved, you will receive your incentive rebate via mailed check within 45 days of receiving all required documentation.

Scan here with smartphone or visit ductedsystemsincincentives.com to claim your rebate.
